

Hard Times

2 Corinthians 4:7-18

What did Paul learn about God in difficult times? What did he learn about himself?

What was the outcome of harsh circumstances?

According to 2 Corinthians 4.16-18, what are the great benefits for a believer who is honoring God by having victorious faith amid hard times?

In your situation, what do you tend to focus on when your are caught up in the temporal, seen things?

What thoughts would you dwell on if you only looked at the unseen, the eternal?

Give thanks for God's provision, purpose and love amid hard times.
