

God's Resources

Hebrews 4:11-16

In scripture there is a correlation between what is required of the believer in Hebrews 4:11 and that which is supplied to the believer by the grace of God. We see first the strong exhortation to be diligent to enter the believer's rest in heaven, then in 4:12-16 we are given the bold encouragement of the resources available from the father.

What are you exhorted to do in this passage? What does this mean?

What must you do today to persist in this pursuit?

What resources does God make available to you from this passage?

List the other truths about God, Jesus and you, that are found in this section.

What will you begin to do regularly to employ the tools God has supplied for you during this time on earth?

Give thanks for the certain and unlimited resources God is supplying for you.
