From these verses, contrast Jesus' priesthood with the former priests. How is Christ's priesthood different?

What are the characteristics of Jesus listed here? What is the significance of this in relation to His ministry to people?

What is Jesus' current role on behalf of believers? What is the result of His action?

Do you believe Christ is always available to intercede on your behalf?

How do these truths impact your life? If so, take a few minutes to pray in a manner which demonstrates this truth.
