

Boasting

1 Corinthians 1:26-31

If you are a believer, who caused your salvation to occur (see also Ephesians 2:8-9 and John 15:16)? Why?

Why is it wrong to boast?

1 Corinthians 1:29: What have you heard people say that you considered boastful, giving themselves the credit for what happened?

How do people boast in subtle ways?

When have you boasted? What words did you say?

1 Corinthians 1:31: What significant things has God done in your life?

What words would you say if you were honoring Him for these things?

1 Corinthians 1:29, 31: What specific things in your life (finances, your kids, intelligence, skills, beauty, possessions, your family) present the choice of giving the credit for good things to the Lord or to yourself? Which do you choose?
