

**A Direction for Life**

**2 Peter 1:5-11**

Are the qualities in 2 Peter 1:5-7 in some order? If so, what?

---

---

---

If these qualities are yours and increasing, what will happen?

---

---

---

How can you change (increase in these qualities)? 1 Peter 2:1-3 and Psalm 119:9-11 indicate such change can occur through God's Word. What must you do to spend quality time in God's Word regularly? Will you commit your way to this course?

---

---

---

What does Peter say is true for those lacking these qualities? In which group (verse 8 or verse 9) are you?

---

---

---

2 Peter 10-11 What must you do to make certain of His calling and be abundantly supplied entrance to the eternal kingdom? Choose this day to pursue obedience to God, that the qualities listed in 2 Peter 1:5-7 would be yours and increasing.
