

Considering Our Salvation

Titus 3:3-8

To what foolish sins were you enslaved prior to coming to Christ?

What is the basis of your relationship with God, if you have one?

Recall your time of belief in the gospel, when saving faith in the work of Jesus Christ entered your heart.

Offer thanks to your Lord for the life of grace and your ultimate destiny.

What good deeds could you become involved in, for the sake of obeying God?

What is the relationship between salvation and good deeds? Commit yourself to this way of living.
