Luke 18:9-14

How did the Pharisee perceive himself, others, God?

How did the tax-gatherer perceive himself, others, God?

In regard to being accepted by God, what did each man place his hope in?

Consider carefully, how did God respond to each man's prayer?

When have you thought, spoken or prayed in the manner of the Pharisee?

How should you regard your sin? How should you see it in relation to God?

Take time to pray now.
