

How We Should Pray

Matthew 6:9-13

From verses 7-8, is the prayer of Jesus in verses 9-13 to be repeated regularly? Why or why not?

Identify at least five principles of prayer from this passage.

Does verse 12 make God's forgiveness of us dependent upon our willingness to forgive? How should we understand this verse in light of God's complete forgiveness when we believe in Christ?

How can God lead us into temptation when James 1:13 says God does not tempt anyone?

Pray the elements of this prayer each day this coming week in order to begin to bring a proper emphasis to our praying.
