A Marriage Study: Love One Another

John 15:12-17

How could you lay down your life better in your marriage? What words, actions, responses to your spouse would be demonstrating love more like Christ's love for you?

Are you Jesus' friend? What proves it?

Jesus chose you. He has appointed you to bear spiritual fruit for the glory of the Father. He commanded you to love your spouse at His level of love. Consider all this. Direct your will, to the purpose of serving Him in your marriage. Bear fruit by obeying Him (Eph. 5.22-31: Wife, be submissive. Husband, love and also work to strengthen her holiness in Christ).
