

Commitment to Christ

Matthew 16:24-26

What do you deny yourself for the sake of Christ?

What do you refuse to give up for Him?

Is it possible to deny yourself something without obeying verse 24? How?

What do you pursue most in life? What do you spend much time thinking about? About what do you have the most intense desires?

Are these important questions? Why? What words does Jesus use in these passages to describe how important He thinks these things are?

Based on what the Holy Spirit has impressed upon your heart through these passages, what is your response? Pour out your heart to the Lord here, letting Him know your conclusion and commitment level.
