

Selfishness or Servanthood

Mark 10:35-45

How did the brothers attempt to manipulate Jesus?

What was their selfish desire?

What was the self-oriented response of the other 10 apostles?

What contrast did Jesus present to the disciples? What examples of great men of the world, exercising authority over others, come to mind.

What examples of Jesus living as a servant do you remember?

In what way is recognition important to you? What is your ambition in life?

Speak with God in prayer about any desires for recognition and power and about any struggles you are having living to serve others.
