When you think about dying, what are your biggest fears?

How is the believer's attitude toward eternity described? Can you put that into words, personalizing a similar attitude for you own life?

What has God done to prepare us to be taken into eternal life? How does this prepare us?

Why does Paul add the statement, "we walk by faith, not by sight?"

The judgment seat in 5:10, which all believers will appear before, is neither a heaven/hell determination nor a punishment source, but rather a time of reward. From this passage, what is God going to look at in rewarding us?

Do you have as your ambition to be pleasing to the Lord today, at home or absent from the body? If so, record your prayer, pouring out your heart to the Lord.
