

## Security of Salvation

### 1 Peter 1:3-5

If you have believed the gospel message and have committed your life to the Lordship of Jesus Christ, you may be certain that the salvation relationship with God, which you now enjoy will never end.

Who caused you to be saved? What is the basis of your relationship with the Lord? Could any of the factors listed in this verse change?

---

---

---

Give thanks for God's mercy and his actions which have given you life.

---

---

---

The inheritance you have through Christ is described in four ways. What does each word or phrase mean? Why is this important?

---

---

---

What in creation or in nature, shows the force of the power of God? How does God use that power today? Give thanks for His love and faithfulness.

---

---

---

At what times and in what circumstances have you been unsure about the permanence of your salvation?

---

---

---

Why do you think that knowledge of the security of our salvation is important for living the Christian life?

---

---

---

Who caused you to believe in the Gospel? How secure is your relationship to God? What is the Lord's role in keeping you in his care?

---

---

---

Please remember this study. Refer back to it to initiate times of worship or to be reminded of the basis of your relationship with God.
