

Ambassadors for Christ

2 Corinthians 5:14-21

The phrase "love of Christ" may be understood grammatically as either our love for Christ or Christ's love for us. Which do you think it is and why?

For whom are you living? Why? What elements in this passage will help us live for God?

How has 1 Corinthians 5:17 been true in your life?

What does "reconciled" mean? Since God has reconciled us to Himself, what task has He given to us?

From 2 Corinthians 5:14-21 Why are we called "ambassadors?" What is necessary for you to fulfill your role as an ambassador for Christ

When was the last time you sought to reconcile an unbeliever to Christ? How many have you spoken to about Christ in the past four weeks? Four months?

Does the love of Christ control you?
