

Sharing the Gospel

Acts 17:16-34

Paul was provoked by the idolatry at Athens (Acts 17:16). What is an idol?

Does idolatry provoke you? How do you respond? Now consider how Paul responded.

What was Paul's audience like? If there are terms you don't understand, look them up in a dictionary. Do these people compare to anyone you know? If so, who?

Examine Paul's words to these people in Acts 17:22-31. What truths did Paul emphasize?

What things did Paul say to aid the message he was seeking to communicate?

How did the people respond to Paul? On what basis can we say Paul was successful?

Evangelism is a process more than an event. Think of people you know who have very little background with Christianity. What will you do for them so that some might wish to hear from you again about Christ?
