

Preparing to Teach

Luke 11.52

"Lawyers" were religious leaders, experts in the Old Testament Law. Ten thousand years after the final judgment, how important will it be whether you are in heaven or hell? How important will it be to those to whom you minister?

How did these teachers take away the key of knowledge?

What did Jesus say that these teachers of God's Word have accomplished with it? What can we conclude about their hearts in relation to the truth?

What effect did the teaching of God's Word, by these lawyers, have on people?

What resources do you use to ensure that your teaching accurately reflects the truth of God's Word?
