

The Body

1 Corinthians 6:12-20

Have you or are you currently mastered by anything that relates to your body?

To whom does your body belong? When do your actions reflect this; when do your actions indicate you think your body is your own?

Restate the truths presented in this verse, in your own words.

To become a doer of this verse, what changes, if any, must be made in your life? Are you willing to commit yourself to this course of action?

Take time to pray, requesting God's mercy and grace to help (Heb. 4:15-16) in this matter. You may be confident in the Lord's response on both counts.
