

The Power of God
Ephesians 1:19b - 23

Put into your own words each act of God which is listed in these verses.

Picture, in your mind, each event which is described here. How would you describe the strength of God's might? What does it mean that Christ is 'far above all rule... and every name? How would you describe the strength of God's might?

Why does the strength of God's might matter? Since it is what it is, what are the implications for your life?

What in the place, in the church, which the Father has given to Jesus Christ?

Does your life reflect this place which God has assigned to Jesus Christ in the church? How can you better honor the Lord Jesus Christ in your life?

Take time to worship the Father. Offer praise for His power, as described in each action listed in this passage.
