**Christ's Power Over Sight and Sound
Matthew 9:27-33a
Dale Whitehead**

1. Condition of the men:

Blind

2. Cry of the men:

They cried out, yelling very loudly, "Have mercy on us, Son of David."

Crying for mercy, they do not believe they are worthy of sight, but they are persistent to follow Christ to the house.

3. Confrontation of the men:

After Jesus came into the house they came to Him calling for mercy.

4. Conversion of the men:

"Be it done to you according to your faith." Not only the healing of the eyes, but the conversion of the soul.

5. Command to the men.

"Let no one know about this."
