The Lord's Messengers
Matthew 10:7-15
Dale Whitehead

1. Where the messengers are going.
2. What the messengers are doing.
3. How the messengers are to do it.

A. With a giving spirit.

The things of this world are good but Satan would seduce us to desire them more than God.

It is God's will for us to "freely give" of all we have received.
1 Corinthians 4:7, Psalm 24, everything we have has been received from God

The most precious thing we have received is the gift of life.

Where have the living waters been flowing in your life? **John 7:38**

1 Peter 4:10, we should be serving one another.

B. With a spirit free from concern.

With the gifts Christ gives, also comes the authority to use those gifts.

The true riches we can share, freely give, are not the material things of this life but the spiritual.
