**Jesus Walking on the Water  
Part 2  
Matthew 14:22-23  
Dale Whitehead**

Introduction:

**Verse 33:** “You are certainly God’s Son.” What process did Jesus use to bring the disciples to this realization?

1. Performed the miracle of feeding 20,000-25,000 from five loaves and two fishes.

**John 6:15:** Multitudes waited for Jesus to take the throne of Israel. Now the disciples also want Jesus to take the throne and Jesus sends them away.

Then the disciples are asking, “Who is this Jesus?” Then Jesus demonstrates His divine power.

**Verse 33:** And they worshipped Him. They would only worship God. When they called Him God’s Son, they were calling Him God.

Jesus received their worship demonstrating that He is God.
