“For I Am Not Ashamed”
Romans 1: 16-17

Introduction: The joy of salvation, the excitement that comes with being saved. Many lose this excitement.

1. The gospel is powerful: “...power of God for salvation.” The word “power” is where we get the word “dynamite” from. God’s power is infinite, incomparable. His power for salvation; His power to deliver us from our sin.

Matthew 1:21 “He shall save His people from their sins.” This is daily, Jesus sets us free, free not to sin, not to sin on a personal basis. The power of the gospel does set us free from our sins.

How often will we share the gospel if we are not experiencing the power of the gospel? Paul was eager to preach the gospel.

Thankful: For what God has done - Power of salvation
