**“Understanding the Justice and Judgment of God”
Romans 2:1-16**

Introduction: Serving God and serving people, this is what is important.

Body:

1. Knowledge: Those who will be judged, will be judged on the basis of their knowledge of God’s law. All people in the world with any understanding ability have the knowledge of God’s law.

Romans 1:32-the guys in the black hats, “the sinners.” Romans 2:1-the guys in the white hats, “the good guys” and the “good guys” are judging the “sinners.”

James 1:10, when you break the law in one part you break the whole law. So, both groups are guilty.
