**“Christ Did Not Die Only For Sinners”
Romans 3:25-31
Part 3**

1. Declares the Righteousness of God, “no sin will go unpunished.”
2. Declares the grace of God, by faith justified (Romans 3:27).
3. Declares God’s consistency in dealing with people.

Jews believe they were justified by works, by the law. They were wrong. Everyone is saved by the same principle, Jew and Gentile.

God is one, He is consistent in all ways. He is the God of all, so salvation for all is the same way, by faith in Jesus.

Salvation cannot be of the law for God is one. He had given the law to the Jews only not to the Gentiles.

4. Declares God’s way will not be thwarted.

Do we then nullify the law through faith? Never, we establish the law for the law. The purpose of the law shows sin and the need for the Savior.
