**“All Things Work Together for Good”**  
**Romans 8:28**  
**Part 1**

Introduction - The assurance of the believer, security.

A. Extent: God causes **ALL** things to work together: sum of the parts.  
Good: goodness of essence, through and through, completely good.  
2 Cor. 1:22, Acts 20:32, Heb. 1:14, Pro. 18:22 are examples of the good things that  
God works together for our good.

Bad things that God works for our good, suffering. In Gen 45:5, Joseph understands  
the working of God. In Job 42, Job knew that God could do all things. He saw himself  
in light of God and humbled himself before God.

God works our struggle with sin together for good (Rom. 7:24 - 25). Sin itself is work  
together for good.

He who is forgiven much, loves much.
