“Vindication of God’s Faithfulness”
Romans 9: 6-13
Part 2

Introduction - A difficult passage; God’s complete sovereignty.

Body:

1. Promise:

Ps. 115:3, God does what pleases Him. Dan. 4:35, who is in charge! Rev. 4:11, Job 23:14, God is sovereign in creation and the administration of creation. This is clear in the Bible. It is even clearer that God is sovereign in salvation.

2. Mercy:

We might feel that it is unfair that God chooses. Verse 14, can there be injustice with God? MAY IT NEVER BE, there is no injustice with God! Do we question God because of His choice? MAY IT NEVER BE. Jer. 9:23-24.
