“Effectively Working in Concert with Christ’s Church”
Romans 12: 3-8
Part 5

Introduction:

Body:

1. The proper attitude.
2. The proper relationship.
3. The proper service.
4. Teaching-Giving Instruction.

Every believer is called to teach. Heb. 5:11-12, “...you ought to be teachers by now...”
Teachers of what? The truth of God’s Word.

The truth we have learned we need to pass on to others, to our children and others who will listen. Passing on the truth, teaching others is also a learning process. To pass on what you know you have to be able to present it in an understandable manner.

What is the difference between preaching and teaching? Preaching is proclaiming God’s Word primarily the gospel. Teaching is instruction in God’s Word. When believers gather, they gather for teaching.

The church is called to proclaim the gospel of Christ not to proclaim the church.

Teaching in the church protects the church.
