“Tested but Triumphant”
Daniel 3

Isaiah made a wonderful promise about faith in Isaiah 43:2.

I. The tests

First test: Worship the image or die by fire. (3:1-7)

The Jews would have known what was going to happen for months as the image was being prepared. What would we do? Worship the image or not? What do we do now, do we bow down? Colossians 3:5 Does anything come before our service to God? If so, we bow down.

Second Test: Worship the image or die by fire. (3:8-18)

II. The triumphs

First triumph: Over the elements.

Second triumph: Over the enemies.
