“People of Destiny”
Daniel 8
Part 2

All true believers in Jesus Christ are people of destiny.

If God can use unbelievers to accomplish His purposes, He can surely use us.

I. Alexander the Great: God used this world ruler to break down cultural and language barriers, thus preparing the way for the proclamation of the gospel.

II. Antiochus Epiphanes: God used this Syrian King to:

A. Unify the Jews in a renewed devotion to Judaism and religious faith.

B. To speak of the future antichrist

Our purpose is clearly defined in 1Peter 2:9.
