“Go Your Way”
Daniel 12
Part 2

The main thing God wants the Jewish people to know from Daniel 12 is that they will experience a time of great tribulation.

I. Three encouraging truths (1-4):

- A. Israel will be delivered.
- B. The dead will be raised.
- C. The faithful will be rewarded.

What keeps us going through all times is our hope. Our hope in the unchangeable God, His Word.
