**Daniel 12**  
**Part 3**

The main thing God wants the Jewish people to know from Daniel 12 is that they will experience a time of great tribulation.

I. Three encouraging truths (1-4):

A. Israel will be delivered.

B. The dead will be raised.

C. The faithful will be rewarded.

II. Two concluding questions:

A. How long will it last? (12:6)

How long will the great tribulation last? The later half of the tribulation will last 3 1/2 years. The length of time is given over and over so those who are in the tribulation crying out “how long will it last?” will know and take heart.

B. What will the outcome be?

Daniel wants to know more, the response he receives in v.9 is “Go your way Daniel.” What has been revealed is sufficient, so go live your life according to what you know.
