I Peter 1:1-2

Part 5

Elements of Election

1. The essence of election is God's sovereign choice (Eph. 1:3-5; 2 Thess. 2:13).
2. The basis of election is God's foreknowledge (1 Pet. 1:2). Not prior knowledge about the person but rather a prior relationship with the person (1 Pet. 1:20).
3. The outworking of election is the responsibility of the Holy Spirit (1 Pet. 1:2; 2 Thess. 2:13).
4. The security of election is Christ's blood.

It's power to cleanse.

It's power to secure.

5. The advantages of election.
