“Why Should We Believe in the Virgin Birth?”

Why should we believe in the virgin birth?

We should believe in the virgin birth, because the Scripture demands it (Matthew 1:18, 24-25; Luke 1:24-27, 34).

We should believe in the virgin birth because prophecy demands it (Matthew 1:22-23 cf. Genesis 3:15; Isaiah 7:14).

We should believe in the virgin birth because logic demands it (Romans 5:12).

May God use the foundational doctrine of the virgin birth to humble us before Him in worship to the praise of His glory.
