Sermon Notes for June 29, 2014

The Grapes of Wrath
Revelation 14:17-20

Like the vision of the grain harvest in Revelation 14:14-16, here in Revelation 14:17-20, the grape harvest can also be described in three main points, which help us to better understand the outpouring of God's wrath during this future time.

I. The Reaper (Revelation 14:17; cf. Matthew 13:39, 49)

A. Who is this reaper?

B. Where is this reaper?

C. What is this reaper holding?

II. The Ripeness (Revelation 14:18; cf. Revelation 6:9-11; 8:3-5)

A. The announcer of this ripeness

B. The announcement of this ripeness

III. The Reaping (Revelation 14:19-20; Joel 3:13; cf. Revelation 19:11-21)

A. The response of reaping (Revelation 14:19)

B. The results from reaping (Revelation 14:20)

In light of this future judgment depicted as the great winepress of the wrath of God, my prayer is that you have embraced the gospel. And if you have embraced the gospel, then my prayer is that you are committed to faithfully worship and serve Christ.
