Study Aid for the Sermon from October 26-27, 2002

"The Heavenly Processional"

Observing the text

Who are the "enemies of the cross of Christ?" Has Paul already talked about them?

Why is Paul weeping? Is this something that he did often?

What is the destruction that Paul is referring to in Philippians 3:19?

When Paul is talking about a person's appetite becoming their god, what else might he have in mind besides food?

How could someone glory in something that they should be ashamed of?

Applying the sermon

What would the Lord think about your eating habits?

If you do not believe that the Lord is pleased with how you are eating, what changes do you need to make? Are you prepared to work at making those changes?
