

Valley Bible Church – Sermon Study Questions

Study Aid for the Sermon from July 12-13, 2003

"And the Word Was God"

John 1:1-2

Observing the text

Read John 1:1 in every different Bible translation in your home and see if they agree that the Word was God.

What would you say to a person who believed that the better translation of John 1:1 would be "the word was a god" rather than "the Word was God?"

Why did John add John 1:2 to John 1:1?

Applying the sermon

How have you responded when you see Jehovah's Witnesses approaching your door? How do you believe the Lord would have you respond?

How have you treated Jehovah's Witnesses in the past when talking with them at your door? How do you plan to treat them in the future?
