**Observing the text**

What comes to your mind when you think of eternal life? Is it more than just living forever?

How does understanding eternal life impact the way that we are presently living?

What will possessing eternal life mean for us in the future?

**Applying the sermon**

How are you presently, in your everyday activities, seeing the outworking of the gift of eternal life?

How do you see the gift of eternal life being worked out in your life in the pursuit of holiness?  
Explain in what ways you are becoming a better person.
