

Valley Bible Church – Sermon Study Questions

Study Aid for the Sermon from June 12-13, 2004

"Soul Food"

John 4:31-34

Observing the text

Read John 4:31-42 writing down observations and questions.

How does John 4:31-42 fit in with what came before?

Applying the sermon

Can you say that you, at this moment in time, are absolutely submissive to God's will and are seeking to do His work, or in other words, that you are partaking of that food that nourishes the soul?

If your answer is yes, describe how that food is presently nourishing you in respect to specific circumstances of your life.

If your answer is no to the first question and you know that you are feasting of the empty pleasures of this world, why are you doing this? Be specific in your answer.
