**Observing the text**

Make a few observations in John 5:25-29 and describe how it fits into the flow of chapter five.

What is the "hour" that Christ is referring to in John 5:25?

What is the significance of Christ being called the "Son of Man?"

Why is the judgment in John 5:26 based on works?

**Applying the sermon**

How are you, as a disciple of Christ, seeking to live your life in obedience to Christ?

*Valley Bible Church – Sermon Study Questions*

How are you seeking to be obedient to the great commission, which we find in Matthew 28:19-20?

What would you say to someone who says he is seeking to be obedient to Christ and is not concerned with fulfilling Christ's commission to His church?

What changes can you see that you can make in your life that would better communicate to yourself that you are serious about fulfilling Christ's commission to His church?
