**Observing the text**

Describe your financial preparation for the days ahead.

How secure is your financial preparation?

Describe your spiritual preparation for the days ahead.

How secure is your spiritual preparation?

Who do you know that is in danger of straying from the faith due to false teaching? What can you do to help them?

*Valley Bible Church – Sermon Study Questions*

**Applying the sermon**

What can you do to store up for yourself the treasure of a good foundation for the future?

How does your view of money affect your generosity?

How have you positioned yourself to be "ready to share?"

Have you seen worldly and empty chatter, or those who profess "knowledge," lead someone astray?  
How could you have helped?

Take a moment to pray for God's grace to help you see these matters with the eyes of the Lord.
