"To See or Not To See"

John 9:35

Observing the text

Read John 9:35-38 and make as many observations as possible. How does this fit in with what has come before?

What is the significance of the title "Son of Man"?

Applying the sermon

How did Christ initially approach you when you were spiritually blind?

Did you respond quickly to Christ or did He have to approach you repeatedly?

As His disciple, are you confident that Christ will continue to actively seek to preserve your sight?

How should this confidence impact your life?
