Applying the sermon

How is your faith allowing you to see the glory of God in the midst of your present circumstances?
What attributes of God is your faith allowing you to see?

Do you set aside time each day for prayer? How do those times with God help you respond to what He wants you to be and to do?

Do you make it a practice to pray audibly with your family, with fellow Christians, and with people in need? If not, why not?

Why are Christians in a better place to face death than others? How fearful are you in the face of death?
