"Loving to the Limit"

John 3:6-11

Dale Whitehead

Observing the text

Why did Peter protest Jesus washing his feet in John 13:6, 8?

What did Jesus mean when He responded to Peter's protest by saying, "If I don't wash you, you have no part of Me"?

Was Peter's response in John 13:9 reasonable?

What did Jesus mean when He responded to Peter's exuberance in John 13:9 by telling him in John 13:10, "He who has bathed needs only to wash his feet"?

How do you think the disciples understood Christ's words when He told them in John 13:10 that they were not all clean?

Applying the sermon

What difficult circumstances are you presently facing?

Are you, in your spirit, troubled by those circumstances? Try to explain why you are troubled by those circumstances.

Now take time and thank God for the good work that He is accomplishing through those circumstances.
