"What The Resurrection Proves"

John 13:17

Dale Whitehead

Observing the text

What did Christ mean when He said, "Because I live, you shall live also?"

Applying the sermon

Why are you seeking to be obedient to Christ?

Do you believe that professing believers can be assured of their salvation if they are not seeking to be obedient to Christ?

How assured are you that you are a disciple of Christ?

How encouraged are you to pursue greater obedience as you become more convinced of the reality of the resurrection?
