Study Aid for the Sermon from April 29-30, 2006

"The Betrayer"

John 13:23-30

Dale Whitehead

Observing the text

Read John 13:23-30 and make as many observations as possible.

Why did the disciples not understand who would betray Christ in light of John 13:26?

Who is the disciple that Jesus loved?

Why did Peter ask another disciple to ask Jesus which disciple would betray Him?

What did John mean when he said that Satan entered Judas?

Valley Bible Church – Sermon Study Questions

Applying the sermon

How might you describe the relationship between a present day "Judas" and a local church? What might it look like?

Is there any way for a present day Judas to be spotted or identified?

Is there any way for a present day Judas to spot themselves?

How are you presently assuring yourself that you are not in fact a present day "Judas?"
