"Why the World Hates Christians"

John 15:20

Observing the text

Read John 15:20-25 and make as many observations as possible.

Applying the sermon

How are you presently suffering because you, in obedience to Christ, have gone into this world as His ambassador seeking to win people to Christ?

If you are not suffering, why do you think that is?

In what ways are we so consumed with keeping peace with men that we might fail to do the work that Christ expects us to do as His ambassadors?

In what ways are we not concerned enough with pursuing peace with men as we seek to do the work that Christ expects us to do as His ambassadors?

Valley Bible Church – Sermon Study Questions

Do you think you are too concerned about maintaining peace with men or too little concerned about maintaining peace with men when it comes to the matter of our work as Christ's ambassadors?
