## *Valley Bible Church – Sermon Study Questions*

### **Applying the text**

Why do people sometimes struggle with feeling loved?

What is the connection between Christ's Father answering your prayers and feeling His love?

How are you presently giving Christ's Father opportunities to demonstrate His love to you in the way you are approaching your prayer life?

What prayers can you now pray that you believe you can pray in the name of Jesus that will give Christ's Father the opportunity to pour out His love for you in some tangible way?
