**“Peace In A Troubled World”
John 16:28-33**

Observing the text

What did Christ's disciples mean when they told Christ that He was now speaking to them plainly in John 16:28?

What did Christ mean in John 16:31 when He asked His disciples, "Do you now believe?"

How do we reconcile what the disciples said in John 16:30 with what Jesus prophesied they would do in John 16:32?

What did Jesus mean when He told His disciples, "I have overcome the world?"
