Study Aid for the Sermon from October 21, 2007

“The Bible and Personal Finances”

Observing the text

What is our financial responsibility to the poor (1 Timothy 6:3-10)?

Are we responsible for every poor person or only for certain poor people?

What limiting factor might we apply to our giving to someone in need (2 Thessalonians 3:6-15)?

What is our financial obligation to the church (1 Corinthians 9:3-18)?

Applying the sermon

Do you know any neighbors who are struggling to provide themselves the basic necessities of life? Do you have the means to help them?

Do you know any family members that are struggling to provide themselves the basic necessities of life? Do you have the means to help them?

Do you believe that you are responsible to support your ministers and their ministries?

Do you presently have the means and the desire to increase your giving to our church? If you do how would you want to divide that extra giving between our general fund, our building fund and our intern fund?
