“The High Priestly Prayer of Christ”

Observing the text

When Christ said that His Father had given Him authority over all of mankind in John 17:2, what did He mean?

How does the thought of authority being given to Christ by His Father relate with what Christ prayed for in John 17:1?

What is the significance of someone receiving the gift of eternal life based on the words of Christ in John 17:3?

Explain how the request of John 17:5 relates with Christ’s request in John 17:1.

Applying the sermon

Explain how personal closeness with Christ is related to the gift of eternal life.

Are you striving to enjoy this personal closeness that we have in Christ with Christ? How aware of this are you?

What might presently be in your life that could be preventing you from enjoying this personal closeness?

How prepared are you to give up whatever is keeping you from enjoying the gift of eternal life? Please prayerfully consider what you must do in order to successfully carry through with this intent.
